The grant is aimed at assisting an organisation in achieving its goals and ensuring the ongoing development of tennis activities that support British Tennis. The project/activity should be something new which would not otherwise happen. If a grant is made Bucks Tennis will not consider any further Development Grant application for 3 years.

Please note that there are different application forms for a Bucks Tennis Participation Grant or for Impaired Tennis available on the Bucks Tennis website, www.buckstennis.com.

Please include a copy of any relevant quotations and/or additional information to support your application.
