

Bucks County Cup Team Selection

18U Team selection

This is an impartial process led by the team captain in conjunction with the Junior Co-ordinator. Selection is based on a number of factors including ranking and knowledge of players - reliability, foreseeable physical fitness, conduct, and a player's ability to work within the team.

Wildcards can be selected at any time, (i.e. at selection meetings, invited to attend training sessions, asked to participate in a play-off match(es) or be selected as a result of training sessions). The Team Captain will make final decision.

The captain is responsible for confirming selection and non-selection with players/parents.

Selection is based on a combination of direct entry players and wildcards as follows:

Age group	Team	Direct Entry Places	Wildcard(s)
18	6 – 8 players	At least 4	2-4

1. Direct Entry
 - a. Ranking on a given date. (the selection date)
 - b. U18 ATP/WTA Ranking
 - c. ITF up to 1000
2. Wildcards – If the Captain chooses not to utilise the wildcard option, the remainder of the team will be selected on the given date based on player rating and ranking on the given date. The selection panel also reserves the right to use a play-off system
3. If a player has not played 8 singles/doubles matches in the previous season they are automatically discounted regardless of ranking or rating. The next player will be selected based on the direct entry criteria.
4. If a nominated player is unavailable to represent the county the next player(s), if required will be selected based on the direct entry criteria
5. The captain reserves the right to change the team if a player does not attend any of the arranged practice sessions
